Directorate of Environmental Programs

Dennis R. Downs  
Director  
Division of Solid and Hazardous Waste  
Utah Department of Environmental Quality  
P.O. Box 144880  
Salt Lake City, Utah 84114-4880

Dear Mr. Downs:

On behalf of U.S. Army Dugway Proving Ground (DPG), I am pleased to submit Class 2 Modifications to the Resource Conservation and Recovery Act (RCRA) Part A Permit Application, December 2004 and the RCRA Operating Permit # UT3750211259, September 2005. The RCRA Part A Permit Application will be modified to remove several Hazardous Waste Management Units (HWMUs) that have been closed. The RCRA Part B Permit modification is for the insertion of Closure and Post-Closure Plans for Solid Waste Management Units (SWMUs) and HWMUs as attachments into Module VII. The text in Modules IV and VII has been revised to remove clean closure SWMUs and HWMUs and to coincide with the insertion of the Closure and Post - Closure Plans.

Please direct your staff to contact John Bate of my staff at (435)831-3591 with any questions or comment regarding this submittal.

Sincerely,

A handwritten signature in black ink, reading "Joseph R. Gearo, Jr.", is written over the word "Sincerely,".

Joseph R. Gearo, Jr.  
Director  
Directorate of Environmental Programs

Enclosure

Transmittal of the Class 2 Permit Modification.  
July 30, 2008.

EP-191-08

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
